

Definitive agreement signed regarding Anticosti Island in Quebec

Saint-Aubin Energie (1/3 Maurel & Prom, 2/3 MPI) announces that an agreement relating to the creation of a joint venture, in partnership with Ressources Québec, Pétrolia and Corridor Resources, was signed on 1st April 2014.

The equity interests in the joint venture are as follows:

- Ressources Québec 35%
- Pétrolia 21.7%
- Corridor Resources 21.7%
- Saint-Aubin Energie 21.7%

This joint venture holds exploration permits on Anticosti Island, Quebec (see map). The first phase of reconnaissance work, amounting to US\$55 million at 100%, will begin in summer 2014 and should be completed within two years.

The selection of Saint-Aubin Energie as the Government of Quebec's partner to test the island's potential gives the company access to new assets that may be of fundamental importance. This is potentially a major step forward in the Group's strategic positioning in non-conventional hydrocarbons, which represent three quarters of the oil and gas resources available to humanity.

This document may contain forward-looking statements regarding the financial position, results, business and industrial strategy of Maurel & Prom. By nature, forward-looking statements contain risks and uncertainties to the extent that they are based on events or circumstances that may or may not happen in the future. These projections are based on assumptions we believe to be reasonable, but which may prove to be incorrect and which depend on a number of risk factors, such as fluctuations in crude oil prices, changes in exchange rates, uncertainties related to the valuation of our oil reserves, actual rates of oil production and the related costs, operational problems, political stability, legislative or regulatory reforms, or even wars, terrorism and sabotage.
