CORPORATE GOVERNANCE

The report from the Chairman of the Board of Directors, prepared in accordance with Article L.225-37 of the French Commercial Code, covers, for the fiscal year ended 31 December 2015, the information relating to the membership of the Board of Directors and the conditions for preparing and organising the work of the Board of Directors, the application of the principle of balanced gender representation within the Board, the internal control and risk management procedures put in place by the Company, potential limits on the powers granted by the Board of Directors to the Chief Executive Officer, the principles and rules applicable to the calculation of

compensation and benefits of any kind for corporate officers as well as any special provision relating to shareholder participation in the General Shareholders' Meeting. This report was prepared by the Chairman of the Board of Directors based on contributions from the Company's administrative, financial and legal support services, including the Audit Committee, the Appointments and Compensation Committee and the General Secretary.

The report was approved by the Board of Directors on 22 April 2016.

3.1. STATEMENTS ON CORPORATE GOVERNANCE

The Company has confirmed that the AFEP-MEDEF Corporate Governance Code, as revised in November 2015, is the corporate governance code with which it voluntarily complies, within the meaning of Article L.225-37 of the French Commercial Code and, in accordance with Article 25.2 of the AFEP-MEDEF Code, that it is a member of the Corporate Governance Steering Committee (Haut Comité de Gouvernement d'Entreprise). The AFEP-MEDEF Code is available on the websites of AFEP (www.afep.com) and MEDEF (www.medef.com). The Company also complies with the AMF's Final

Report on the Audit Committee, dated 22 July 2010, and with the Report on the Report of the Chairman on internal control and risk management procedures dated 1 February 2016.

In accordance with the "apply or explain" rule of Article L.225-37 of the French Commercial Code and Article 25.1 of the AFEP-MEDEF Code, the Company considers that, with the exception of factors disclosed and explained in full in the following table relating to the fiscal year ended 31 December 2015, the Company complies with the recommendations of that code.

6. Membership of the Board of Directors: guiding principles

"In terms of balanced gender representation, the goal is for each board to reach and maintain a percentage [...] of at least 40% female members within six years, as from the 2010 General Shareholders' Meeting. The calculation of these percentages includes permanent representatives of legal entity directors and directors representing employee shareholders but does not include directors representing employees."

The latest appointment of a new member to the Board of Directors at the General Shareholders' Meeting of 18 June 2015 takes the percentage of women on the Company's Board of Directors to more than 20% (two women out of nine members), in accordance with Law 2011-103 of 27 January 2011 regarding balanced gender representation on boards of directors and supervisory boards which sets this proportion at 40% from 1 January of the sixth year after said Law was published, namely 1 January 2017.

Consequently, while complying with legal provisions, the Company does not comply with the AFEP-MEDEF Code for listed companies on this issue, it being specified that the Company will do what is necessary to comply with the Law soon, which will also bring it into compliance with the AFEP-MEDEF Code on this issue.

14. Term of office for directors

"Although not required by law, it is essential that the Articles of Association or the Bylaws set a minimum number of shares of the Company that each individual director must hold."

To comply with the recommendation of the AFEP-MEDEF Code, the Bylaws of the Board of Directors, as amended on 30 March 2016, now stipulate that each director must commit to purchasing a minimum number of shares each year for an amount equivalent to €2,000 to be deducted from their attendance fees and keeping those shares until the end of their term of office.

18.1. The Compensation Committee

"It must not include executive corporate officers and a majority must be independent directors. It must be chaired by an independent director. [...]"

Christian Bellon de Chassy is a former independent director of the Company and, since his term of office ended on 29 June 2011, he has held the position of observer on the Board of Directors. The Company therefore considers him to have all the qualities required, including independence, to be a member of the Appointments and Compensation Committee and to perform the role of Chairman of the Committee.

However, to comply with the AFEP-MEDEF recommendations, at its meeting of 25 March 2015 the Board of Directors decided to appoint a new member to the Appointments and Compensation Committee, Carole Delorme d'Armaillé, an independent director, also appointing her as Chairman to replace Christian Bellon de Chassy. It is worth noting that on 30 March 2016, the Board of Directors changed the membership of the Appointments and Compensation Committee as follows: Carole Delorme d'Armaillé is no longer a member of said Committee, and Gérard Andreck, an independent director, is now Chairman of the Appointments and Compensation Committee. The Group is therefore now in compliance with the AFEP-MEDEF recommendation regarding the committee in charge of compensation.

20. Directors' code of ethics

"In the absence of legal provisions to the contrary, directors must be shareholders in their own right and hold a relatively large number of shares to justify the attendance fees received: directors who do not own such shares upon taking office, must use their attendance fees to purchase them."

To comply with the recommendation of the AFEP-MEDEF Code, the Bylaws of the Board of Directors, as amended on 30 March 2016, now stipulate that each director must commit to purchasing a minimum number of shares each year for an amount equivalent to €2,000 to be deducted from their attendance fees and keeping those shares until the end of their term of office.

22. Termination of employment upon appointment as a corporate officer

"It is recommended that, if an employee becomes a corporate officer, such employee's employment contract with the Company or a company within the Group should be terminated either by signing a severance agreement, or by the employee's resignation.

This recommendation applies to the Chairman, the Chairman & Chief Executive Officer, and the Chief Executive Officer in companies with a board of directors, and to the Chairman of the Management Board and to the Chief Executive Officer in companies with a management board and supervisory board, and to the managing partners of partnerships limited by shares.

It is not aimed at employees of a group of companies who are executive corporate officers in a subsidiary of that group, whether listed or unlisted."

The Board of Directors did not wish to terminate the employment contract of Michel Hochard who, until his appointment as Chief Executive Officer of the Company on 26 May 2014, had held the position of Chief Financial Officer for the Group for a number of years.

The Board of Directors considered that although this provision would be understandable in the case of a director who was recruited externally or was a newcomer to the Group, it would be difficult to justify in the case of a manager who had led a successful career in the Company for a number of years and was now being asked to take on more senior responsibilities.

Indeed, on an individual level this measure would make the position of interested candidates more precarious given the risks incurred in their new responsibilities, and could lead internal candidates to refuse the position or to require higher compensation, which are certainly not the objectives sought by the recommendations of the AFEP-MEDEF Code. This measure would distance the officers from the corporate fabric, and would be inconsistent with the goals of internal promotion and "sustainable management" which are key to building the

Company and its development. Accordingly, the Board of Directors decided to maintain Michel Hochard's employment contract as Chief Financial Officer while still appointing him as Chief Executive Officer. His contract was therefore suspended, in accordance with relevant case law, from the time of his appointment as Chief Executive Officer of the Company and shall remain so until his term of office as CEO expires.

23.2.5. Signing-on bonus, severance pay and non-compete compensation

"Severance pay

[...] The law gives shareholders a major role by requiring predefined severance pay, paid when an executive corporate officer's term of office is discontinued, to comply with the terms and conditions governing regulated agreements. It requires total transparency and makes severance pay conditional on performance.

Performance should be assessed over a two-year period or longer.

The performance conditions set by Boards should be challenging and should not permit severance pay for a director unless the departure is forced and connected with a change of control or strategy, regardless of how the departure is portrayed.

Severance pay should not be paid to an executive corporate officer who leaves the Company voluntarily to take on other functions, or changes roles internally within a group, or is close to receiving a retirement package.

If paid, severance should not exceed two years' compensation (fixed and variable). When a non-compete clause is included in the terms of office, the total of the signing-on bonus plus severance pay must not exceed the ceiling (see below). [...]

Non-compete compensation

[...] The Board should state in the terms of departure when the director leaves whether a non-compete clause applies, especially when the director leaves the Company to accept a retirement package or after accepting a retirement package.

3

CORPORATE GOVERNANCE

Statements on corporate governance

...

Non-compete compensation should not exceed two years' normal compensation (fixed and variable).

When a severance payment also has to be made, the total of the two must not exceed this ceiling (see above)."

Under his employment contract as Chief Financial Officer (suspended during his term of office as the Company's Chief Executive Officer), Michel Hochard receives (i) non-compete compensation amounting to 35% of the compensation he would have received for two years after the end of his contract and (ii) dismissal compensation equivalent to 24 months' gross pay, if dismissed or forced to discontinue his role as Chief Financial Officer within 18 months following a change of control of the Company or a significant change in the majority shareholder's interest in the Company. These benefits, which were granted to Michel Hochard when he joined the Company in 2007 as Chief Financial Officer, were adjusted in 2011 to take account of the economic and financial context and the Group's development outlook at the time. These benefits, the principle and amount of which have remained unchanged since 2011, were granted in the employment contract and relate solely to the employment contract.

When appointing Michel Hochard as the Company's Chief Executive Officer, the Company and the Board of Directors did not want to put an end to the compensation or benefits owed or that might be owed for the discontinuation of or a change in his role as Chief Financial Officer or for non-compete clauses, or to change them to comply with the AFEP-MEDEF Code applicable to executive corporate officers. These benefits are actually connected only with the termination of his contract as the Company's Chief Financial Officer (suspended for the term of his position as the Company's Chief Executive Officer) and are consistent with the corporate office of the Chief Executive Officer as performed by Michel Hochard.

The Company wishes to point out that as the Company's Chief Executive Officer, Michel Hochard does not receive any actual or potential compensation or benefit for the discontinuation of or a change in his role or any non-compete compensation.

CORPORATE GOVERNANCE

Administration and management of the Company

3.2. ADMINISTRATION AND MANAGEMENT OF THE COMPANY

▶ 3.2.1. Administrative, executive management and management bodies

Jean-François Hénin has been Chairman of the Board of Directors and Chief Executive Officer since 14 June 2007. His terms of office were subsequently renewed, on the recommendation of the Appointments and Compensation Committee, by the Board of Directors' meetings held following the General Shareholders' Meetings of 20 May 2010 and 13 June 2013.

To facilitate the smooth operation of the Board of Directors and to allow its Chairman to focus on major strategic decisions affecting the Company, the meeting of the Board of Directors held on 26 May 2014 resolved to separate the role of Chairman of the Board of Directors from that of Chief Executive Officer of the Company, on the recommendation of the Appointments and Compensation Committee.

Accordingly, the Board of Directors decided, on the recommendation of the Appointments and Compensation Committee, to appoint (i) Jean-François Hénin as Chairman of the Board of Directors, for his term of office as director, which runs until the close of the General Shareholders' Meeting called to approve the financial statements for the fiscal year ended 31 December 2015 and (ii) Michel Hochard as Chief Executive Officer until the close of the General Shareholders' Meeting called in 2015 to approve the financial statements for the fiscal year ended 31 December 2014.

As the terms of office of Jean-François Hénin as Chairman of the Board of Directors and Michel Hochard as Chief Executive Officer end at the close of the next General Shareholders' Meeting, the Board of Directors will meet at the close of the General Shareholders' Meeting called to approve the financial statements for the fiscal year ended 31 December 2015, and vote to renew their terms of office based on the recommendation of the Appointments and Compensation Committee.

3.2.1.1. Members of the Board of Directors, executive management and management

3.2.1.1.1. Board of Directors and executive management

The Board of Directors is composed of at least three members and no more than twelve members, appointed for three-year periods by the Ordinary General Shareholders' Meeting, barring legal exception in the case of mergers.

Since the Company's Combined (Ordinary and Extraordinary) General Shareholders' Meeting on 18 June 2015, the number of directors on the Board of Directors has increased from eight to nine.

The General Shareholders' Meetings of 18 June 2015 and 17 December 2015 decided:

- ▶ to renew the terms of office as director of Alexandre Vilgrain, Gérard Andreck and Carole Delorme d'Armaillé, for a further three-year period expiring at the close of the Company's General Shareholders' Meeting called in 2018 to approve the financial statements for the fiscal year ending 31 December 2017;
- ▶ to appoint François Raudot Genet de Châtenay as a director, for a period of three years expiring at the close of the Company's General Shareholders' Meeting called in 2018 to approve the financial statements for the fiscal year ending 31 December 2017; and
- ▶ to ratify the co-optation of Eloi Duverger as director of the Company to replace Alexandre Vilgrain, who resigned from the Board of Directors on 23 July 2015, for a term equal to the remainder of his term of office, which was until the close of the General Shareholders' Meeting called in 2018 to approve the financial statements for the fiscal year ending 31 December 2017.

3 CORPORATE GOVERNANCE

Administration and management of the Company

The latest appointment of a new member to the Board of Directors at the General Shareholders' Meeting of 18 June 2015 takes the percentage of women on the Company's Board of Directors to more than 20%, with Nathalie Delapalme and Carole Delorme d'Armaillé serving on the Board of Directors since that date (i.e. two women out of nine members). This complies with Law 2011-103 of 27 January 2011 regarding balanced gender representation on boards of directors and supervisory boards and setting this proportion at 40% from 1 January of the sixth year after said Law was published, namely 1 January 2017.

However, the AFEP-MEDEF Code, as revised in November 2015, stipulates that the Board of Directors must reach and maintain a percentage of "at least 40% female members within six years, as from the 2010 General Shareholders' Meeting", which is as from the 2016 General Shareholders' Meeting.

Consequently, while complying with legal provisions, the Company does not comply with the AFEP-MEDEF Code for listed companies on this issue, it being specified that the Company will do what is necessary so that it is soon in compliance with the law and therefore the AFEP-MEDEF Code on this issue.

There are no directors on the Board of Directors representing employee shareholders or representing employees as the Company is not required to have such a member under applicable laws and regulations.

The following table shows the membership of the Company's Board of Directors at 31 December 2015 as well as the changes in its membership during the fiscal year ended 31 December 2015:

CORPORATE GOVERNANCE

Administration and management of the Company

On the recommendation of the Appointments and Compensation Committee, the Board of Directors asked the General Shareholders' Meeting called to approve the financial statements for the fiscal year ended 31 December 2015, to renew the terms of office of Jean-François Hénin and Emmanuel de Marion de Glatigny.

French citizen

Maurel & Prom

Jean-François Hénin was Chief Executive Officer of Thomson CSF Finance, then of Altus until May 1993. He was Chairman and Chief Executive Officer of Électricité et Eaux de Madagascar between 1994 and 2000. Since that date, Mr Hénin has been a manager and partner at Maurel & Prom (a partnership limited by shares until 2004) with the role of Chairman and Chief Executive Officer of Aréopage. He became Chairman of the Management Board after the Company was converted into a public limited company with a management board and supervisory board on 28 December 2004.

On 14 June 2007, the Board of Directors appointed him Chairman and Chief Executive Officer at the first Board of Directors' meeting held after the General Shareholders' Meeting that decided to convert the firm to a limited company with a board of directors. His term of office as a director was renewed by the General Shareholders' Meeting of 20 May 2010, then by the General Shareholders' Meeting of 13 June 2013 for a further three-year period ending at the close of the General Shareholders' Meeting called in 2016 to approve the financial statements for the fiscal year ended 31 December 2015. The Board of Directors' meetings following these General Shareholders' Meetings had reappointed him as the Company's Chairman & Chief Executive Officer, on the recommendation of the Appointments and Compensation Committee.

As from 26 May 2014, the Board of Directors, on the recommendation of the Appointments and Compensation Committee, decided to separate the roles of Chairman and Chief Executive Officer and to appoint Jean-François Hénin as Chairman of the Board of Directors for the remainder of his term of office as director, which is until the close of the General Shareholders' Meeting called to approve the financial statements for the fiscal year ended 31 December 2015.

On the recommendation of the Appointments and Compensation Committee, the Board of Directors will ask the General Shareholders' Meeting called in 2016 to approve the financial statements for the fiscal year ended 31 December 2015 to renew his term of office for a further three-year period, which is until the close of the General Shareholders' Meeting called in 2019 to approve the financial statements for the fiscal year ending 31 December 2018.

As his term of office also ends at the close of the next General Shareholders' Meeting, the Board of Directors, on the recommendation of the Appointments and Compensation Committee, and subject to the renewal of Jean-François Hénin's directorship, will meet to vote on his reappointment as Chairman of the Board of Directors for his term of office as director, which is until the close of the General Shareholders' Meeting called in 2019 to approve the financial statements for the fiscal year ending 31 December 2018.
