Summary of main areas of expertise and experience

Jaffee completed his degree from Institute of Technology Bandung, Indonesia. He then pursued and achieved both his master and doctoral degrees from Texas A&M University, America. He began his career in managing global projects at Shell Texas in 2006. Thereafter, he held the position of Vice President of Engineering at Petroneering, LLC, in Houston.

In 2016, he summoned to Indonesia as a Special Staff & Expert at the Ministry of Energy and Mineral Resources of Indonesian Republic. His career advanced in 2017 as he became Deputy of Planning at SKK MIGAS, special TASK FORCE assigned by the Government of the Republic of Indonesia c.q. Minister of Energy and Mineral Resources (MEMR) to organize management of upstream Oil and Gas business activities.

In 2021, he joined in one of the biggest energy state-owned company in Indonesia, Pertamina. He was appointed as a President Director of Pertamina Hulu Rokan and achieving remarkable production results.

By May 2023, Jaffee was entrusted in managing Pertamina Internasional Eksplorasi dan Produksi (PIEP), where he oversaw assets in 12 countries, managed subsidiaries, and negotiated significant deals, including lifting sanctions on Venezuela. His leadership led him to exceptional performance for PIEP in 2023 and 2024.
